

## INCLUDES US 2

### New Family Support Service

#### What is it?

Includes us 2 has launched a new support service, aimed at providing families of children with a disability or SEN with information, support and sign posting that is relevant to their needs. The service is free to access and covers Ashford, Shepway and Dover.

#### How can the Family Support Service help you?

Our two part-time Family Support Officers can provide general support about issues families who have a child with a disability or SEN may experience, information about disability services, practical workshops and signposting to other specialist services.

Support will be provided by phone, email, social media and at regular Parent/Carer groups.

We are unable to provide home visits, but 1:1 appointments will be available at the end of each Support group (Please contact Nicola or Hayley to book an appointment)
