

Year 11 Exam Season 2019

All students must be in school and must register by thumb print and attending tutor period for ALL sessions until 24th May.

From June 3rd Onwards

Your schedule for the rest of the exam season is set out over the page. Make sure you check it carefully so that you know where you are meant to be and when. Don't forget that you must continue to wear school uniform throughout the exams whilst in school.

- You must be in school for the **compulsory** sessions shown over the page.
- If you are in an exam during a core prep lesson you must go to the prep session when the exam finishes.
- After the holiday, at the end of each **compulsory** session (exam or prep session) you must either:
 - Go to a planned prep session for a subject you study (shown over the page) if there is one
 - Go to F14 for private study or
 - If no other sessions are planned for the day, sign out and leave the school site.

On NO ACCOUNT should you be out and about on the school site except during normal break and lunch time.

Registration

- When you arrive in the morning you should thumbprint **AND** attend tutor period as normal before going to your exam or prep session.
- On mornings when you have an English, Maths or Science exam you can thumbprint and go straight to the dining hall for breakfast and registration instead. Please check in with your Form Tutor when you arrive.
- If you are staying in school from lunchtime onwards you must thumb at lunchtime in the usual way.
- As with any normal week, there is no tutor period on a Wednesday so you should go straight to your Maths prep session on 5th June or the dining hall for breakfast on 12th June before your Science exam. Remember to thumb print and check in with your tutor.

Signing Out

If you have finished your exams for the day and have no prep session you must sign out before leaving the site

- Sign out in the Dining Hall.
- Leave the site via the bottom gate (by the fire station).
- This is so that we know who is on site in case of a fire. If you do not do this you will have to stay at school in the private study room.

After the Science exam on 14th June there will be a celebration assembly. You need to wear uniform for the Science exam BUT you can change into your smart clothes after Science whilst we get the gym ready for assembly. Girls should go to the D block Dance Studio and Boys the F Block Dance Studio.

	Morning				Afternoon
