

Homewood School & Sixth Form Centre

LEARNING • RESPECT • BELONGING

e-Learning at Homewood School

Homewood School serves a wide catchment area with 2200 students, including Sixth Form. We want to ensure that every student has their own mobile device in every lesson and at home.

Following the success of last year's program, we are continuing with the scheme and offering a similar device to all of our Year 7 students.

The Chromebook allows students to access highly engaging learning experiences, enhancing their education and providing a skill set for the 21st Century.

You are warmly invited to attend our e-learning Presentation Evenings that will be held during Induction Week, Monday 1st July - Friday 5th July 2019. Presentations will run from Monday to Friday either at 4.15pm or 5.15pm in the Balcony Restaurant at the top of A Block.
