

Parent Support Sessions

Your space to discuss and learn from an experienced family and behaviour worker

Group sessions to support your understanding of your child and to chat to other parents.

Friday 17th January 2020
Friday 31st January 2020
Friday 14th February 2020
Friday 28th February 2020
Friday 13th March 2020
Friday 27th March 2020

Bluebells Children's Centre, Hothfield with Heather Woodcock

All sessions run from 9:00am-12:00pm

"I found the parenting course really useful, it has helped me understand my child more and helped me to have strategies to help my child manage his behaviour. It has been lovely meeting other parents in similar situations.

"I would like to say a big thank you to Heather she made me more aware of when I am standing now with my child and helped me to understand myself and my child to be able to make good changes. "

If you are interested in attending please let either your Senco or FLO know or email Heather at
